Living Safely with Dogs Program

Most of our preschools have had, or are soon having a visit a Pet Educator and their temperament tested dog as part of the "Living Safely with Dogs" Program. This program is a government initiative that involves educating both children and their parents about safety with dogs, in particular in order to prevent dog attacks.

Our next committee meeting date is Monday 1st August at **9.30am** at our office, 3/5 Anlaby Street Maitland. Morning tea is supplied, and children are welcome.

Are you on Facebook?

Our Service has a Facebook Page. If you are on Facebook, look us up under Hunter Mobile Preschool and send us a friend request. Please also share us with your friends. We post every week during the school term. Topics covered are reminders, quotes, service history, staff information, what's happening at preschool/photos, venue information, dates and upcoming events.

Bob Turner Wildlife Show

Some venues have also had visits from the Bob Turner Wildlife Show. This is a hands-on wildlife show which may include non-venomous snakes, lizards, frogs, mice, tortoises, insects and creepy crawlies.

Vacy

Our newest venue, Vacy has developed a strong connection with the local school. This is an extract from a recent school newsletter.

Pre-School Visit Vacy Public School.

Yesterday we had a lovely visit from Vacy Pre School. They joined us for a yummy canteen recess, fitness and library. It was great to have them at school and we hope they will visit again soon.
