Allergy Policy

Date: March 2011

Rationale:

Our aim is to ensure the safety and wellbeing of all enrolled children by eliminating the risk of allergic reactions.

Procedure:

- 1. At the time of enrolment, parents are responsible for informing staff in regards to all allergies using the appropriate section of the enrolment form.
2. An Allergy Action Plan will be completed by parents when enrolling their child.
3. Children are instructed not to share their food, food utensils or containers.
4. Parents are advised that compliance with the venue specific exclusions is compulsory. Any excluded foods sent to Pre-school will be sent home uneaten, with a reminder note about food allergies and excluded items.

This information is included in the Information Booklet handed out at enrolment.

- 5. If a child attends a venue and they have a known allergy to a certain type of food, that food will be excluded from that venue. (eg Henry is allergic to eggs. Henry attends the Castle Hill venue. Eggs will not be allowed to be brought to the Castle Hill venue by any of the children, staff, casuals or helpers attending there).
6. Children will be given age appropriate education about allergies, triggers and risks and the importance of caring for others.
7. In signing this policy, you agree to comply with the provisions
8. Multiple breaches of this policy may result in your child being withdrawn from the service.
9. This Service compiles and updates a list of children with allergies for use by staff. Without identifying the child, this information is available for any Pre-school function.
