## **Hunter Mobile Pre-school**

Hunter Mobile Preschool was established to accommodate the needs of young pre-school children in outlying and rural areas in and around the Lower Hunter area including Cessnock and Maitland.

As a service, we are committed to providing staff of the highest quality and experience.

We strive, through our teamwork, toward creating a safe, caring and friendly environment, which will afford children the highest quality care with learning opportunities that allow them to develop at their own rate.

Programming is based on the needs and interests that have been observed or discussed at preschool, and information families share with us.

Teaching occurs through experiences in the areas of the arts, crafts, manipulative play, constructive play, language, music & movement, maths, science, drama, and children's interests.

Hunter Mobile preschool is licenced for twenty 3-5 year olds per day, and currently services 6 areas. We offer priority of access to 4 year olds, children who identify as Aboriginal or Torres Strait Islander and children from disadvantaged families.

As a State-funded Service we are bound by all legislation, currently in operation thus ensuring that the highest quality care and education is maintained through regular and adequate funding and accountability.

## **Policies and Procedures**

The policies included with the enrolment form need to be read on enrolment and signed to inform staff you have read and understood their content. A detailed policy manual is available at your venue for your perusal. If you wish to read all of our policies, please speak to the staff at your venue.

## **Arrival and departure**

Children are **not** to be left **before starting time** and need to be collected **before our finishing time**. Any child on the premises before or after our operating hours is in breach of our Pre-school licence.

On arrival, each child **must** be signed into the attendance book and the time recorded.

Please make sure a staff member is aware of you child's arrival and departure.

On departure, each child **must** be signed out and the correct collection time recorded.

When any other person (other than the parents or guardians) is collecting your child, their name, address, phone numbers (home and mobile) and relationship to your child **must** be recorded on the ***authority to collect/emergency contact*** form, which authorises them to collect your child in your absence. Without these details, your child will remain with staff until the parents can be contacted or a person nominated on the child's ***authority to collect/emergency contact*** form.

You are also able to authorise a person to collect your child by completing the ***collection of children book***, on your arrival. This document is always on the sign in table. Please ask staff for assistance. This allows you to nominate a person without permanently adding them to your child's personal file.

**Please inform us in writing if there are any changes to your child's custody or access arrangements.**

## **Your child will need.....**

- 1) **Lunch**. Please clearly label your child's lunch. Please see the back two pages for more information on nutritional lunch box ideas. It is a policy of this service to encourage children to eat a balanced diet, please refer to our policy booklet for more information.
- 2) **Morning or Afternoon tea**. Please bring a piece of fruit, cheese and biscuits, vegetable sticks, sultanas in a separate container to lunch. Cooler bags are not needed as we refrigerate all of the children's food.

- 3) **A back pack.** To keep their possessions in.
- 4) **A spare set of clothes.** These are necessary for any minor personal or play accidents which may occur!
- 5) **Sun protection.** Please bring a hat in their bag each day even in the winter months. It is the parents' responsibility to apply sunscreen before the children come to Preschool or sunscreen is available for your use – see the sign-in area.
- 6) **Drink Bottle.** Drinking water is always accessible for children's use.
- 7) **Fruit Break.** Some venues do a fruit break in the morning. Please check with your staff to see if this is relevant to your venue.

### **Toys**

We ask that children leave their own toys at home. This avoids competition between the children and prevents the toys getting lost or damaged.

### **Clothing**

Please label all your child's clothing and leave a spare set, including underwear and socks in their bag in case of accidents or incidents; water play.

We ask that they wear simple clothes (no buckles, no thongs, no overalls) so it is easy for children to manage toileting and changing. Please avoid sending them in good clothes as it can get very messy and active at preschool. Shoes should be sensible and safe for climbing, e.g. no gumboots, thongs, scuffs or slides. Clothing in the warmer months needs to be sun safe. Please ensure your child has protective clothing on, eg: t-shirts with sleeves, not singlet tops where their arms, neck and chest area are exposed to the harmful rays of the sun.

### **Birthdays**

We invite you to celebrate your child's birthday at Preschool. Before bringing a cake/cupcakes, please check with staff for any food allergies. You're welcome to send a camera and we will be happy to take snapshots for you.

### **Illness**

To avoid risk of infection, please keep your child at home if they have a bad cold, temperature or possible infectious illness. We are required to record your child's immunisation record. This must be with you when you come to enrol your child. If their record is not up to date, your child will be asked to stay away from Preschool while any outbreak of infectious disease occurs.

## **Parent Involvement**

We believe that parents need to be recognised as the primary influence in their child's life and that it is vital that staff and parents work together in a close relationship for the benefit of the child. We encourage you to become involved in the service and its program in any way that you can. Please let us know if you have any special skills or interests that you would like to share with the children.

## **Absent days**

We ask that you please contact us on the relevant mobile numbers on the morning of Preschool (as early as possible) if your child will be absent for the day.

The mobile numbers are:

Lochinvar, Vacy and Gresford: 0408684942

Wollombi, Millfield and Gillieston Heights: 0407359105.

The office number is: 49346725 (ring this before 7.30am, so staff will get the message before they leave for preschool).

All absent days for children must be paid for.

## **Termination of Enrolment**

Two weeks written notice is required. Payment of two weeks will be charged in lieu of notice.

## **Management Committee**

The service is managed by a Parent/Community Members Committee. This Committee meets each month, usually at the base, 3/5 Anlaby Street, Maitland. We urge that parents become involved to ensure the service continues to grow. All families have an opportunity to become involved in the running of the service. The meetings are informal and provide a great time for you to get together and meet other parents and have input into this, your service.

## **First days at Preschool**

Before you come to Preschool, talk to your child and let him / her know what they might expect. Please make sure your child is familiar with their lunch box, bag, drink bottle, etc, and are able to open them with ease. A labelled paper bag is a good alternative.

If there is an older child who remembers going to Preschool, encourage them to talk to the younger child about their POSITIVE experiences! The first day at Preschool can be very frightening for your child, especially if it is a new experience to them. If your child has trouble settling, we invite you to stay for a while, show them around and become involved with the activities. When the time comes for you to leave, please let staff know so we can be there for support. **Always** tell your child that you are leaving and emphasise that you will be coming back. Disappearing without warning is easier for parents, but it is difficult for the child to believe that you will come back for them. It can also be a scary experience for your child as they do not know where you have gone.

All children take time to adjust to a new environment, please be patient during this process and please talk to staff if you are unsure.
