#### About the Service

Hunter Mobile Preschools Outside School Hours Care program is a non-profit service, which provides quality care for primary school children before/after school hours. The programs are developed by the staff, with input from the children and families, to meet the needs of the community. Children will have opportunities to participate in a variety of planned and spontaneous experiences which will assist their social, emotional and intellectual development.

The service will:

- provide a safe, secure, stimulating, and caring environment for children which encourage involvement for all children
- promote wellbeing and respect for each child's dignity and privacy
- be mindful that each child has their own interests, customs, culture, language, beliefs, needs and abilities

- create an environment where open communication is encouraged and respected

Forms can then be collected from the OSHC staff at the school, once the initial communication is made.

If a child is not attending the program on any day, a call must be made to the office 49346725, or a message left on the OSHC mobile 0447504978.

Two weeks written notice is required. Payment of two weeks will be charged in lieu of notice.

#### Signing In / Out

Children are not to be left before starting time, and need to be collected before our finishing time. Any child on the premises before or after our operating hours is in breach of our service approval. On arrival each morning session, each child must be signed in and the actual time recorded. Please make sure a staff member is aware of your child's arrival and departure.

Upon departure each afternoon session, each child must be signed out and the actual time recorded.

Before School Care students will be marked off, and signed out by OSHC staff before they are walked out of the room and to the playground once there are school staff on duty.

After School Care students will walk to meet the location of where OSHC operates, and a staff member will sign them in.

### **Authority to Collect Children**

When any other person (other than the parents or guardians) is collecting your child, their name, address, phone numbers (home and mobile) and relationship to your child must be recorded on the authority to collect/emergency contact form, which authorises them to collect your child in your absence. Without these details, your child will remain with staff until the parents can be contacted or a person nominated on the child's authority to collect/emergency contact form.

### **Late Collection**

In the first instance of a late pick up, a 'Late Fee -1<sup>st</sup> Letter' will be sent to family explaining that next time they will be charged \$1 per minute.

In the second instance of a late pick up, a 'Late Fee -2<sup>nd</sup> Letter' will be sent informing the family that they will be invoiced for the late fee's accumulated on date recorded.

The rate for late fees will be \$1 per minute for each minute after the official finishing time.

If there is a genuine reason for a parent being late to pick up their child (i.e. a broken down car, etc) and they cannot organise anyone else to pick up their child, they are required to ring the staff on the mobile number and advise them of the approximate time they expect to arrive.

### **Court Orders & Custody**

Parents/authorised persons have access to their children at all times unless a relevant Court Order is given to the program stating otherwise. A copy of a current Court Order must be given to staff on enrolment. Parents/authorised persons must notify the staff if there are any changes to these documents. The document will be filed with the child/rens records and treated in strict confidence.

Casual days will be invoiced.

Continuous non-payment of fees will jeopardize a child's position in the OSHC Program. Please contact the office on 49346725 if there are any problems with paying your account.

## **Child Care Subsidy**

Child Care Subsidy is a payment made directly to child care providers to be passed on to families. To make Child Care Subsidy claims and view the status of their claims, families will be able to go to [my.gov.au](http://my.gov.au) and sign in to access their Centrelink online account.

Upon enrolment, the parent and child's Customer Reference Numbers (CRN) must be added onto the enrolment form for this subsidy to apply to your child's fees.

## **Medication**

No medicines (Panadol etc) will be given to children. Prescribed medicines can only be administered if a Medication form has been completed by the parent/Guardian. Prescribed medication needs to be provided to the staff in the original container-showing child's name, dosage and expiry date. Medications will be kept in a locked medication box in kitchen area (or in the fridge if it requires refrigeration).

If a child becomes unwell while attending BSC/ASC the Supervisor will attempt to contact the parents. If parents are unavailable then the emergency contact will be called.

While waiting for a parent/ emergency contact to arrive staff will:

- Make the child comfortable
- Take the child's temperature
- Monitor the child's condition
- Keep a written report of the child's condition
- Seek medical attention if the situation becomes urgent

In the case of serious injury or serious health condition OSHC will call an ambulance. The child's parents will be notified.

Children and staff with infectious diseases will be excluded from the service in accordance with current Guidelines. If a child is unwell at home or becomes unwell at school, parents are asked not to send the child to the service, but to make alternative arrangements for their care

## **Accidents**

OSHC staff will administer first aid to your child as required. Any assistance your child receives will be noted in the First Aid folder and a note placed in the Sign in Register.
