Hunter Mobile Preschool was established to accommodate the needs of young pre-school children in outlying and rural areas in and around the Lower Hunter area including Cessnock and Maitland.

As a service, we are committed to providing staff of the highest quality and experience.

We strive, through our teamwork, toward creating a safe, caring and friendly environment, which will afford children the highest quality care with learning opportunities that allow them to develop at their own rate.

Programming is based on the needs and interests that have been observed or discussed at preschool, and information families share with us.

Teaching occurs through experiences in the areas of the arts, crafts, manipulative play, constructive play, language, music & movement, maths, science, drama, and children's interests.

Hunter Mobile preschool is licenced for twenty 3-5 year olds per venue, per day, and currently services 7 areas. We offer priority of access to 4 year olds, children who identify as Aboriginal or Torres Strait Islander and children from disadvantaged families.

As a State-funded Service we are bound by all legislation, currently in operation thus ensuring that the highest quality care and education is maintained through regular and adequate funding and accountability.

Policies and Procedures:

The policies included with the enrolment form need to be read on enrolment and signed to inform staff you have read and understood their content. All service policies are stored on the preschool laptops. If you would like to read a specific policy, please speak to staff at the venue. The policy can be read there, or it can be emailed to you to read at a suitable time. When policies are reviewed, as a part of the process, they are posted to the private Facebook groups for families' comments and suggestions. These are then included in the policy, which is then approved by the management committee.

Arrival and departure:

Children are **not** to be left **before starting time** and need to be collected **before our finishing time**. Any child on the premises before or after our operating hours is in breach of our Pre-school license.

- On arrival, each child **must** be signed into the attendance book and the actual time recorded.
- On departure, each child **must** be signed out and the actual collection time recorded.

Please make sure a staff member is aware of your child's arrival and departure.

- When any other person (other than the parents or guardians) is collecting your child, their name, address, phone numbers (home and mobile) and relationship to your child **must** be recorded on the **authority to collect/emergency contact** form, which authorises them to collect your child in your absence. Without these details, your child will remain with staff until the parents can be contacted or a person nominated on the child's **authority to collect/emergency contact** form.
- You are also able to authorise a person to collect your child by completing the **communication section of the sign in sheet**, on your arrival. Please ask staff for assistance. This allows you to nominate a person without permanently adding them to your child's personal file.

Please inform us in writing if there are any changes to your child's custody or access arrangements.

Your child will need:

- 1) **Lunch.** Please clearly label your child's lunch. Please see the back two pages for more information on nutritional lunch box ideas. It is a policy of this service to encourage children to eat a balanced diet, please refer to our policy booklet for more information.
- 2) **Morning or Afternoon tea.** Please bring a piece of fruit, cheese and biscuits, vegetable sticks, sultanas in a separate container to lunch. Cooler bags are not needed (unless asked to by staff for any reason), as we refrigerate all of the children's food.
- 3) **A back pack.** To keep their possessions in.
- 4) **A spare set of clothes.** These are necessary for any minor personal or play accidents which may occur!

- 5) **Sun protection.** Please bring a hat in their bag each day even in the winter months. It is the parents' responsibility to apply sunscreen before the children come to Preschool or sunscreen is available for your use – see the sign-in area.
- 6) **Drink Bottle.** A water bottle with a covered mouth piece is required, as they are stored in an esky during the day, and are at risk of contamination from other bottles. Drinking water is always accessible for children's use.
- 7) **Fruit Break.** Some venues do a fruit break in the morning. Please check with the staff at your venue to see if this is applicable to you.
- 8) **Pillow & Sheet/Blanket.** Some venues have quiet relaxation/meditation time. Please check with the staff at your venue to see if this is applicable to you.

Immunisations:

From 1 January 2018, parents **must** provide a copy of one or more of the following documents upon enrolling their child in preschool:

- an AIR **Immunisation History Statement** which shows that the child is up to date with their scheduled vaccinations or
- an AIR **Immunisation History Form** on which the immunisation provider has certified that the child is on a recognised catch-up schedule (temporary for 6 months only) or
- an AIR **Immunisation Medical Exemption Form** which has been certified by a GP.

No other form of documentation is acceptable (i.e. the Interim Vaccination Objection Form or Blue Book).

A copy of one of these documents must be presented to staff, to be kept with the child's enrolment records, **before** your child is able to start attending.

Parents/guardians may obtain a copy of their child's **Immunisation History Statement** at any time:

- **By telephone on 1800 653 809**
- **Online at my.gov.au**
 - Medicare needs to be a linked service on mygov
 - Once logged in, Immunisation History Statement can be selected from the menu on the left hand side of the screen.
- **In person at the local Medicare Service Centre**

Toys:

We ask that children leave their own toys at home. This avoids competition between the children and prevents the toys getting lost or damaged.

Clothing:

Please label all your child's clothing and leave a spare set, including underwear and socks in their bag in case of accidents or incidents, or if they get wet during water play experiences. We ask that they wear simple clothes (no buckles, no thongs, no overalls) so it is easy for children to manage toileting and changing. Please avoid sending them in good clothes as it can get very messy and active at preschool. Shoes should be sensible and safe for climbing,

e.g. no gumboots, thongs, scuffs or slides. Clothing in the warmer months needs to be sun safe. Please ensure your child has protective clothing on, eg: t-shirts with sleeves, not singlet tops, or strappy summer dresses, where their arms, neck and chest area are exposed to the harmful rays of the sun.

Birthdays:

We invite you to celebrate your child's birthday at Preschool. Before bringing a cake/cupcakes, please check with staff for any food allergies. You're welcome to send a camera and we will be happy to take snapshots for you.

Illness:

To avoid risk of infection, please keep your child at home if they have a bad cold, temperature or possible infectious illness. We are required to record your child's immunisation record. This must be with you when you come to enrol your child. If their record is not up to date, your child will be asked to stay away from Preschool while any outbreak of infectious disease occurs.

Parent Involvement:

We believe that parents need to be recognised as the primary influence in their child's life and that it is vital that staff and parents work together in a close relationship for the benefit of the child. We encourage you to become involved in the service and its program in any way that you can. Please let us know if you have any special skills or interests that you would like to share with the children.

Absent days:

We ask that you please contact us on the relevant mobile numbers on the morning of Preschool (as early as possible) if your child will be absent for the day.

The mobile numbers are:

Gresford & Vacy: 0408 684 942

Wollombi & East Cessnock: 0407 359 105

Lochinvar & Kitchener: 0455 116 393

Mulbring: 0447 504 978

The office number is: 49346725 (ring this before 7.30am, so staff will get the message before they leave for preschool).

All absent days for children must be paid for.

Termination of Enrolment:

Two weeks written notice is required. Payment of two weeks will be charged in lieu of notice.

Management Committee:

The service is managed by a Parent/Community Members Committee. This Committee meets each month, usually at the base, 3/5 Anlaby Street, Maitland. We urge that parents become involved to ensure the service continues to grow. All families have an opportunity to become involved in the running of the service. The meetings are informal and provide a

great time for you to get together and meet other parents and have input into this, your service. Morning tea is provided, and activities for the children in attendance.

First days at Preschool:

Before you come to preschool, talk to your child and let him / her know what they might expect. Please make sure your child is familiar with their lunch box, bag, drink bottle, etc, and are able to open them with ease. If there is an older child who remembers going to Preschool, encourage them to talk to the younger child about their POSITIVE experiences! The first day at Preschool can be very frightening for your child, especially if it is a new experience to them. If your child has trouble settling, we invite you to stay for a while, show them around and become involved with the activities. When the time comes for you to leave, please let staff know so we can be there for support. **Always** tell your child that you are leaving and emphasise that you will be coming back. Disappearing without warning is easier for parents, but it is difficult for the child to believe that you will come back for them. It can also be a scary experience for your child as they do not know where you have gone. All children take time to adjust to a new environment, please be patient during this process and please talk to staff if you are unsure.

For Preschool your child needs:

- ✓ **Bag (big enough that they can pack all of their belongings in)**
- ✓ **Lunch**
- ✓ **Morning or Afternoon Tea**
- ✓ **Water Bottle (with a covered mouth piece)**
- ✓ **Hat**
- ✓ **Change of Clothes**
- ✓ **Sensible Shoes**
- ✓ **Fruit break (if applicable to your venue)**

SOMETIMES FOODS

Snack foods and drinks that are high in added sugar, saturated fat or salt are generally low in nutrients. They also provide a lot of kilojoules that can contribute to children becoming overweight or obese. We call these 'sometimes' foods and drinks because they should only be consumed sometimes and in small amounts. Foods like lollies, chocolates, jelly cups, fruitbars and fruit straps, sweet biscuits, potato and corn chips should be given much less often.

Philosophy

Hunter Mobile Preschool is a Community Based, Not-for-Profit preschool service, established to meet the needs of younger children in outlying and rural communities, staffed by a team of qualified and experienced early childhood educators and managed by a volunteer committee.

Across all of our venues children are seen as capable, competent learners who are valued as individuals. Play based learning environments are created with varied experiences that reflect the interests, strengths, needs and cultures of the children.

We maintain balance between child initiated experiences and those which are facilitated or supported through intentional teaching. Importance is placed on our learning environments, including our relationships with the children to ensure a positive impact on the child's learning with adequate time for support, exploration, sharing ideas, investigating and experimenting.

We strive to develop positive, mutually respectful relationships with families and encourage family participation through many aspects of our service, such as policy development and program input. We endeavour to support families with advice, encouragement and resources.

Through working in partnership with families, we aim to provide continuity of care to enhance each child's learning and development.

Hunter Mobile Preschool aims to provide our educators with a satisfying work environment where previous knowledge, skills, interest and opinions are acknowledged and respected.

At Hunter Mobile Preschool we recognise the significance of the learning and development that occurs for children during the early years. We believe the environments we create and the experiences we create within these environments supports the children now and enhances their future learning.

Code of Conduct

Quality Area 7: Leadership & Service Management

August 2020

Purpose

This code of conduct establishes a standard, reflecting the goals, objectives and values of Hunter Mobile Preschool, ensuring fairness and equity, by which committee, staff, parents, carers, volunteers and students conduct themselves towards others.

This will provide guidelines to promote desirable and appropriate behaviour to ensure that all interactions with children and adults are respectful, honest, courteous, sensitive, tactful and considerate. It provides an outline of behavioural principles, expectations and ideals that will assist in ensuring the safety and wellbeing of children, families and staff.

The management committee of Hunter Mobile Preschool has a responsibility to provide a duty of care for all children and staff, and that Hunter Mobile Preschool is a place of learning for young children and therefore the rights of the child will be considered first and foremost.

The code of conduct applies to all adults, including parents, carers, staff, volunteers, students, extended family and visitors while attending or involved in any activities.

Hunter Mobile Preschool is committed to the wellbeing of each child having fundamental importance, the provision of a safe and secure environment, providing an open, welcoming environment in which everyone's contributions are valued and respected, and to encourage parents, carers, volunteers and community members to support and participate in the services' program.

Management Committee is responsible for:

- Ensuring that all parents/carers, staff, volunteers, students and visitors are provided with a copy of this policy on arrival, employment or enrolment.
- Assessing any serious breaches of this code that may be deemed misconduct and may lead to disciplinary action.
- Ensuring the completed and signed acknowledgements are stored by each van in their secured office boxes.
- Implementing the standards of conduct as set out in this policy on receiving a complaint, give written notice of the complaint (that has not been deemed trivial), to the director general, or becoming aware of an incident regarding a child's health, safety or wellbeing by providing a written report as soon as practicable.

- Developing practices and procedures that will ensure that parents/carers on duty, or other adults participating in the program, are not placed in a situation where they are left alone with a child.
- Understanding and accepting that serious breaches of this code will be deemed misconduct and may lead to disciplinary action—breaches by contractors, volunteers and others may lead to a review of their engagement within the service.
- Ensuring that the children being cared for and educated by Hunter Mobile Preschool are protected from harm and from any hazard likely to cause injury.
- Notifying the licensee representative as soon as possible after receiving a complaint or becoming aware of an incident regarding a child's health, safety or wellbeing, in accordance with mandatory reporting guidelines and requirements.

- Ensuring that all interactions with children are undertaken in full view of other adults.
- Never doing things of a personal nature for a child that they can do themselves; example, helping them go to the toilet or changing their clothes.
- Respecting the confidential nature of information gained, or behaviour observed, while participating in the program, in relation to other children and adults.
- Using courteous, respectful, encouraging and accepting verbal and nonverbal language.

- Ensuring that under NO circumstance a child, parent, carer, or member of staff be approached directly in a confrontational manner.
- Enforcing the prohibition of smoking at all preschool venues.

The children will be supported to:

- Respect themselves and others.
- Use language to express themselves, and communicate their wants and needs.
- Care for and respect the environment, the toys/equipment, and anything that belongs to others.
- Know what is expected of them, and follow these expectations.
- Listen to and follow directions given by adults.
- Manage emotions.
- Talk to staff if there is something worrying or concerning them, or if they require help.

Procedures for dealing with a breach in the code of conduct:

- On notification of a breach of the Code of Conduct, the committee will activate the Dealing with Complaints policy. This may include, but not limited to:
- Issuing a first and final warning letter, or meeting to inform the relevant person/s of the outcome of the investigation and that another breach of the code of conduct will not be tolerated
 - Seeking an intervention order (via the legal system) against the relevant person. Success in obtaining a restraining order may prevent this person from attending the service either to deliver or collect children or to participate in the program
 - Withdrawing or suspending a child's place in the program due to the parents'/guardians' serious breach of the code of conduct. This action will only be taken if no other alternatives are deemed appropriate by the committee.
 - In an emergency situation, where it is believed that staff, children or parents/carers are at immediate risk (for example, violence has been threatened or perpetrated), the staff members and/or committee involved need to be able to act quickly and decisively. The committee and any staff member are authorised to contact the local police to advise them of the current situation.

Medical Conditions Policy

Quality Area 2: Children's Health & Safety

Date: Reviewed **August 2021**

Rationale:

Our aim is to efficiently respond to and manage medical conditions including asthma, diabetes, anaphylaxis, and allergies, of the children, staff, families, and visitors of our service.

Descriptions:

- *Asthma* is an abnormal reaction in the small air passages (Bronchi) throughout the lungs, which causes the airways to become narrow by the spasm of the muscle in their walls, swelling of their lining membrane, excess production and build-up of mucus.
- *Diabetes* is a disease in which the body is unable to properly use and store glucose (a form of sugar). Glucose backs up in the bloodstream causing blood glucose to rise too high.
- *Anaphylaxis* is a serious, life-threatening allergic reaction. The most common anaphylactic reactions are to foods, insect stings, medications and latex. If you are allergic to a substance, your immune system overreacts to this allergen by releasing chemicals that cause allergy symptoms.
- *Allergies* are a number of conditions caused by hypersensitivity of the immune system to typically harmless substances in the environment. These diseases include hay fever, food allergies, atopic dermatitis, allergic asthma, and anaphylaxis.

Procedure:

- All staff members have first aid, asthma and anaphylaxis qualifications.
- At the time of enrolment, parents are responsible for informing staff in regards to all medical conditions using the appropriate section on the enrolment form.
- The service requires the child's **Action Plan** that has been prepared and signed by a doctor, including the date of next review to have at the venues. A copy will be kept with the child's enrolment forms, and in the preschool emergency bag.
- Once the child is enrolled, the staff will meet with the family to prepare a **Risk Minimisation Plan**. This plan ensures that the child's health care needs are assessed and risks are minimised. This will be kept with the child's enrolment forms.
- The plans will be followed in the event of an incident relating to the child's health needs.

- These plans will be reviewed annually, or if there are changes in the action plan developed by the doctor.
- An ongoing **Communication Plan** will be prepared so any changes to the medical management plan, or risk minimisation plan, can be documented. This is a part of the Risk Minimisation plan document, to ensure all relevant information is kept together.
- Our service will ensure that children with asthma, diabetes, severe allergic reactions (anaphylaxis) and allergies are protected within the preschool environment.
- Staff will be required to be aware of individual children's triggers, symptoms, and treatment. All staff will be responsible for administering treatment as needed.
- Any time medication is administered, it will be recorded on the child's medication record form.
- Asthma medication and equipment (eg: Asthma puffer and spacer) will be stored in the preschool emergency bag for easy access when needed.
- Allergy medication (eg: Clarantyne or other) will be stored in the preschool emergency bag for easy access when needed.
- Diabetes medication and equipment will be stored in the preschool emergency bag for easy access when needed.
- Anaphylaxis medication (eg:Epi-Pen) will be stored in the preschool emergency bag for easy access when needed.
- Parents/carers will be responsible for putting these in the emergency bag and taking them out at the end of the day.
- A notice explaining that there is a child in attendance who suffers from anaphylaxis will be displayed near the sign in area.
- At any time necessary, the particular item that causes the anaphylactic reaction to children will be excluded from preschool on the days that child attends.
- All enrolment forms include a Medical Conditions policy to be signed. Parents/carers will be advised that compliance with the venue specific exclusions is compulsory.
- Children will be educated about allergies, triggers, risks, and the importance of caring about the needs of others.
- The importance of not sharing food will be explained to the children. Staff will monitor this during meal times.

Medication:

- Other medications, such as antibiotics/Panadol etc will be handed to staff by parent/caregiver.
- Any medication must be in the original bottle bearing name and dosage.
- Staff will place medication in the lockable medication box in the fridge.
- Parents will fill in a Medication Form for every single dose of medication required.
- Parents will fill in the date, child's full name, and medication, and amount, time to be administered and sign it.
- At the required time the medication is to be measured using a 10ml syringe, which is supplied by the service.
- Staff will check the amount of medication on form with the amount in the syringe.
- A second staff member will check the dosage.

- Staff member administers medication, and signs the medication form.
- Staff member who checks the dosage also signs the Medication Form.
- Parent signs medication out when session is over.

Nutrition Policy

Quality Area 2: Children's Health & Safety

Date: Amended May 2022

Rationale:

The purpose of this policy is to ensure children attending Hunter Mobile Preschool are given the best possible start in life, and are eating appropriate and nutritious food. Families are encouraged to follow the guidelines provided, and staff will encourage and promote healthy food choices.

At Hunter Mobile Preschool, we recognise that healthy eating habits are essential for young growing bodies and lifelong health. We aim to ensure families are provided with current nutrition guidelines, and that children are provided with nutritious food.

Procedure:

Hunter Mobile Preschool will use the "Good for Kids Good for Life" Manual when interpreting amounts of fat, salt and sugar in foods. This means that foods will be low in sugar, fat and salt. Water will be freely available for all children throughout the day. For packaged foods, the following information is what our service is guided by. Please include foods that come within these amounts.

20g FAT PER 100g – Products with less than 10g fat per 100g are best.
5g SATURATED FAT PER 100g - Products with less than 3g fat per 100g are best.
15g SUGAR per 100g
600mg SODIUM PER 100g – Products with less than 400mg per 100g are best.

- Some foods do fall into these guidelines, but due to their chocolate nature, or stickiness, they are not suitable for preschool eg: chocolate custards, fruit 'flavoured' snacks, such as fruit bars, roll ups etc.
These foods do not support good dental health.
- There are foods that fall outside these guidelines, but are accepted at preschool eg: nuts and limited amounts of dried fruits eg:30g

For a comprehensive list of foods, please refer to the information book.

The staff will:

- Provide clear information to families on healthy food and drink choices for children’s lunchboxes. This will occur upon enrolment, through newsletters, notices at the venues, on Facebook, and on our website.
- Observe children’s lunchboxes daily in accordance with lunchbox guidelines.
- If inappropriate foods are provided, the child will be encouraged to eat their healthier options first. A discussion about every day and sometimes foods will occur with the child/ren. Families will be approached either with verbal contact, or a service note that reminds them of the nutritional information to refer to on foods.

Sourced From:

Please refer to the nutritional panel for this food, and check it is within these guidelines, before sending it to preschool.

Fat (less than 20g of total fat per 100g) (less than 5g of saturated fat per 100g)
Sugar (less than 15g of sugar per 100g)
Sodium (less than 600mg of sodium per 100g)

- Staff will indicate on the slip which part of the dietary guide that the food does not meet.
- Promote water as the most suitable drink for consumption at preschool, and ensure water is readily available for children to drink throughout the day.
- Milk is suitable in 125ml containers as part of the child’s dairy intake for the day eg as a substitute for one serving of yoghurt or cheese.
- Be aware of children with food allergies, food intolerances and special dietary needs and consult with families to determine specific food related requirements and develop individual management plans.
- Discourage children from handling other children’s food and utensils.
- Assist children to develop an understanding of healthy food and drink choices through including a range of learning experiences encouraging healthy food choices.
- Create a relaxed atmosphere at mealtimes where children have enough time to eat and enjoy their food as well as enjoying the social interactions with educators and other children.
- Respect each child’s appetite. If a child is not hungry or is satisfied, educators do not insist he/she eats.
- Encourage children to try different / new foods but will not force them to eat.
- As updated information becomes available, this will be made available to staff so they can renew their knowledge and keep up to date.

Sun Protection Policy

Quality Area 2: Children's Health & Safety

Date: Amended May 2022

Rationale:

The sun's ultraviolet (UV) radiation is the main cause of skin cancer. UV damage also causes sunburn and eye damage.

The WHO Global Solar UV Index measures UV Levels on a scale from 0 (low) to 11+ (extreme)

Sun protection is recommended when UV levels are 3 (moderate) or higher.

Procedure:

- The current UV index may be taken into account when applying sun protection and spending time outside.
- Sunscreen will be provided at preschool for families to apply on arrival
- Families who have nominated that their child requires a specific sunscreen, they will be asked to provide this for use at preschool.
- During the warmer months families are encouraged to apply sunscreen before arriving at the service as outdoor play is in the morning
- Children are supported to take increasing responsibility of their own health and physical wellbeing through sun protection awareness
- Sun protection awareness is shared with families through newsletters, notifications and conversations

When the current UV index is 3 or over, or the UV index is unknown;

- Staff and children are encouraged to wear sun protective hats and clothing. Shirts/tops with collars, and sleeves. Hats should protect the face, ears and neck
- Sunscreen will be re-applied before any further outdoor play during the day
- Activities are organised to maximise use of available shade ie trees or shade covers
- Each venue has spare hats for the children to use if they do not have their own.

Quality Area 7: Leadership & Service Management

COVID Policy

Quality Area: 2 Children's Health & Safety

Date: Amended May 2022

Rationale:

COVID-19 is a strain of coronavirus with several variants, originally identified in December 2019.

The World Health Organization has declared the COVID-19 outbreak as a 'pandemic'.

COVID-19 is transmitted from someone who is infected with the virus to others in close contact through contaminated droplets spread by coughing or sneezing or by contact with contaminated hands or surfaces. According to Department of Health, the time of exposure to the virus and when symptoms first occur is anywhere from 2-14 days.

Symptoms can range from a mild illness, similar to a cold or flu, to pneumonia. People with COVID-19 may experience: fever, flu-like symptoms such as coughing, sore throat and fatigue, and a shortness of breath.

Procedure:

Our service will continue to make necessary changes, as guidelines from the Department of Health and the Department of Education are received.

Service Delivery:

- Educator's, children and their families exposure to COVID-19 will be minimised by adhering to recommended guidelines from the Australian and NSW Government's Department of Health, and NSW Department of Education to slow the spread of the virus.
- We will implement practices that reduce the transmission of the virus including the exclusion of any person (child, educator, staff, parent, visitor or volunteer) that is suspected or has tested positive to having COVID-19.
- Staff will maintain cleaning registers for equipment, personal items, and identified high touch objects and areas.
- Frequently touched surfaces in the vans will be wiped down with disinfecting wipes at the end of the day, or masks and hand sanitiser used, depending on the current health orders.

- Avoid directing fans towards children's faces; aim them continuously towards the ceiling or floor.
- Non-essential visitors may be restricted to attend service by current health orders, current ECE's Guidelines for Covid-19 (DoE) and current outbreaks in local areas.

Educators / Families / Children:

- Everybody is encouraged to wash/sanitise hands on arrival, depending on availability of services at the venues
- Every person (employee, enrolled child, parent, caregiver, visitor or contractor) is required to adhere to all current health orders, and stay up to date by checking NSW Health website. This includes wearing masks.
- Exemptions for adults wearing masks in ECE apply:
 - where a child is deaf or hard of hearing; or
 - when the clear enunciation or visibility of the educator's mouth is essential.
- Water bottles with lids covering the mouth piece are recommended.
- We ask that no toys / items be brought from home (other than what is necessary)

Sick Staff:

- Management reserves the right to request employees to self-isolate if they suspect they have come into contact with someone who has a confirmed COVID-19 infection.
- Staff will adhere to the practices outlined in the services Cross Infection Policy

Sick children:

- As per our Incident Injury Trauma Illness policy, we reserve the right to refuse a child into care if they:
 - are unwell and unable to participate in normal activities
 - have a cold, including runny nose, coughing, sneezing, watery eyes
 - have had a temperature/fever last 24 hours
 - have had diarrhoea and/or vomiting in the last 48 hours
 - have been given medication for a temperature prior to arriving at the Service
 - have started a course of anti-biotics in the last 24 hours or
 - If we have reasonable grounds to believe that a child has a contagious or infectious disease (this includes COVID-19)
- If your child becomes ill whilst at the Service, educators/staff will respond to their individual symptoms of illness and provide comfort and care while making contact with family to collect their child.
- Educators will take your child's temperature. If the temperature is 38°C or above you will be contacted immediately and required to collect your child within 30 minutes. If you are unable to collect your child, an emergency contact person will be contacted, and they must collect your child within 30 minutes.

Testing and Isolation:

- Every person (employee, enrolled child, parent, caregiver, visitor or contractor) who is displaying symptoms such as: fever, coughing, sore throat, fatigue and shortness of breath, must seek urgent medical attention to determine if they need to be tested for COVID-19 and not attend our Service

- Every person (employee, enrolled child, parent, caregiver, visitor or contractor) who is confirmed to have COVID-19, is unable to attend the service. They cannot return until they have completed a period of self-isolation of 7 days
- Families, Educators and Staff must immediately advise the Service if they, or anyone in their family,
 - Gets tested for the virus
 - Receives a positive result to the virus
 - Needs to self-isolate
 - Are a close/household contact of a confirmed case
- Household contacts must be reported to the service and approval is required for the staff member/child to return. The ECEC COVID-19 Guidelines and current NSW Health Orders will be used to inform the decision on people returning to the service

Keeping families informed:

- Our Service will use signs and posters to remind educators, children and others of the risks of COVID-19, and the measures that are necessary to stop its spread.
- Families are advised to get tested if showing symptoms and informed if there is a result of concern at their venue
- Families will be communicated with via email, newsletters and social media on a regular basis, and when health orders change.

Physical distancing:

- Practical measures are implemented to encourage physical distancing. These will differ depending on the requirements at each venue. Staff will endeavour to make this clear to all attending.
- Consider the setup of the room and the placement of the activities and limit the number of whole group activities. Children will be spaced out as much as possible.
- Rather than having group times where everyone is sitting on the mat, consider using informal opportunities to engage in intentional teaching with small groups throughout the day.
- Look at your setup when children are eating. Consider having fewer children at each table and use more tables to allow more space between children.
- Wherever possible (e.g. weather dependent) and where you have enough staffing for adequate supervision, consider operating an indoor/outdoor program for part of the day/whole day. This naturally provides for more space for the children and the setup of more activities for children to engage in.
- If you are not able to run an indoor/outdoor program, consider spending more time outdoors; consider the placement of activities and the amount of activities in the outdoor space. A greater range of activities will encourage children to spread out more broadly.
- Use outdoor settings wherever possible. In most cases, outdoor settings have better natural airflow than indoor areas.
- Take steps to improve ventilation in indoor settings by opening doors and/or windows.

Notifications:

- The Approved Provider or Nominated Supervisor is mandated by law to notify the Public Health Unit or Health Information hotline on 1800 020 080 of any confirmed or suspected cases of COVID-19. In addition, the Approved Provider must also notify the Regulatory Authority in their state or territory within 24 hours.
- In the event of the Service being closed as a precaution to limit the spread of the virus, information will be provided to parents/families to help explain the situation to young children. No fees will be charged to families during this time
- Our Service will continue regular communication channels with families and share information about COVID-19 as required.

Dealing with Complaints Policy

Quality Area 7: Leadership & Service Management

Date: Reviewed September 2020

Rationale:

The Department of Education requires all services receiving State Funding to have an active complaints mechanism in place. This ensures that complaints are dealt with in a timely and appropriate manner.

Feedback from families, educators, staff and the wider community is fundamental in the services continuous improvement.

Procedure:

- All feedback, including comments, suggestions, and grievances are to be written on the Communication Form. *If completing the communication form for a grievance, a name and contact number must be included, as no anonymous grievances will be answered.
- Grievances will be responded to within five (5) working days via written response from the Nominated Supervisor/Coordinator clarifying the situation. The complaint will be recorded in the Complaints Register. If a grievance is received, via phone, a Communication form will be forwarded for completion, so the service has written record.
- If the situation has not been rectified or answered satisfactorily then a discussion would be encouraged, with parent, Nominated Supervisor, and/or Coordinator.
- Where no satisfactory agreement can be met, then the complainant will be encouraged to contact the Licensee/Management Committee depending on the situation.
- At any time the Licensee/Management Committee may be called upon to resolve any complaint
- If a parent of a child makes a complaint to the licensee about the conduct of the service, the Approved Provider or Nominated Supervisor must (unless the complaint is of an obviously trivial nature) report to the Department of Early Childhood Education and Care within twenty four (24) hours of the complaint being made.
